Dome Microwave

Keep your microwave clean and dishes re-heated evenly with our microwave cover:

- **Safe and durable:** our microwave cover is made of high-quality, BPA-free material that's heat-resistant and durable.
- **Even re-heating:** the vent allows to warm up food evenly by releasing the air out.
- **Easy to clean:** simply put it in the dishwasher or rinse with water to keep it clean.

No more splatters and half-cold meals
