Plastic
Creating Simplicity

ABOUT US

Cottage Plastic LTD is a company located in Israel has its own brand called Klic Box[®] specialized in creating, designing and producing plastic goods for food storage, homeware, serveware.

With more than 30 years of cumulative experience in international market we are developing our activity with a specific approach; applying our dedication and professionalism, working together with responsible suppliers, has allowed us to create successful products, becoming a valued company in our market range.

We are close-knit company committed to our suppliers and customers. We know how to listen, pay attention to details, and act with empathy towards all consumers.

WHY COTTAGE PLASTIC?

EXPERIENCE

With more than 30 years of cooperation and supplying chain stores - we provide stability and quality.

QUALITY CONTROL

We ensure that all our product quality is maintained during: E-print proof of cartons & labeling, inspection of produced samples, packing, loading, documentation.

EXCLUSIVITY

Our products are designed, developed and produced exclusively for Cottage Plastic LTD.

HIGH QUALITY

Our goods are made of virgin high quality recyclable plastic only.

REPUTATION

We are proud of long-term relationships with our customers for many years.

LOGISTICS

Thanks to our 30 years of logistics experience we can support and arrange direct shipments all over the world.

QUARTET CONTAINERS

Quartet Line comes in both singles and sets of boxes. In a variety of 2 shapes and 5 sizes it gives you good opportunity to organize and store properly. Airtight 4-side locking lid protects your food from pests, moisture. Silicone ring and 4 click-locking systems help locking it tightly by adding a little pressure. For the health of you and your family – containers are refrigerator, freezer and microwave safe.
